Mrs. A. M. Harryman,
1111 North Stevens St.,
El Paso, Tex.

Dear Cousin:

I received your card.

The blank I sent you with the name of the Isaac Groves Collier family at the head was sent you to fill in merely changing Isaac Groves to your father's, Wesley Harris.

What I am after is the date of your father's birth and death and where buried, and complete names of his children and dates of their birth and if living where residing. If they are not living so state, giving the year of their death and if possible where they are buried.

I trust you have had a lot of copies made of the genealogy and that you will have one distributed to each of your brothers and sisters. This is important in the fact that it allows them to know their family connections.

Tell them they have some wonderful connections over in this part of the country all the way from Georgia up to New York State.

You might also give me a brief history of your father's life, his occupation and what he did.

With usual sincere regards, I remain

Very respectfully,

Collier.
